IEP and Legal Issues

We will go through the Individual Education Program forms and Legal Issues and Requirements as they are related to Occupational and Physical Therapy. Come with questions and bring along any IEPs that you would like clarification on!

Fidget and Learning Tools Make-N-Take

We will be exploring the appropriate use of fidgets and homemade learning tools within the natural environment setting by teachers, paraprofessionals, and families. Participants will be making their own fidgets and learning tools to use with their students. Supplies to create items such as whiteboards, time timers, and various fidgets will be provided.

Networking Time

This is an opportunity to connect with colleagues with the goal of improving practices in the area school districts. Come and collaborate with other educational-based Occupational Therapists, Physical Therapists, & Assistants!

Presenters:
Jennifer Ledin, Director of Special Education & Pupil Services
Sue Erickson, SPED Coordinator

Registration Cost: \$35.00

Target Audience: Occupational Therapists, Occupational Therapy Assistants, Physical Therapists, & Physical Therapy Assistants
