January 28, 2020

**WI DPI Arts Standards & Resources**– The arts standards have been under review recently, several adopted and a few in process with drafts available. Educators for art, music, theatre, and dance will be guided through the standards by **Julie Palkowski, WI DPI Fine Arts and Creativity Education Consultant**. All participants will have an opportunity to navigate their respective standards (or at least a draft), see accompanying resources online, and share ideas for implementation into the classroom.
