

CESA 7 Presents:

Trauma Sensitive Schools ~ What does TSS look like at each level?

Facilitator: Dr. Marci Waldron-Kuhn, Readiness Specialist, CESA 7 Learning Services

Schedule:	Dates: January 13, 2020 Location: Webinar via CESA 7 Time: 9:00-3:00 pm (Check-In begins at 8:30 a.m.)
Audience:	Principals, Counselors, Social Workers, Teachers, ACP Coordinators
Session Topics:	In the midst of initiative overload, building Trauma Sensitive Schools (TSS) seems like one more thing we know we should be building but where do we find them time. TSS schools and Social Emotional Learning (SEL) are not another initiative, both create the foundation for learning. This workshop will help you identify what you are already doing well and how to leverage your other initiatives such as PBIS, RtI, and ACP to help you fill in the gaps. You will leave with strategies, tools and techniques to implement in the elementary, middle and high school levels that your staff will buy into without feeling like TSS is just one more thing.
Registration Fees:	Registration includes lunch. \$139 per participant for CESA 7 2019-20 Learning Services Full-Partnership Members \$155 per participant for CESA 7 2019-20 Learning Services Limited-Traditional Members \$169 per participant for Non-Learning Service Member
