January 31, 2020 9am- 3pm

You asked, we've got you covered! This FREE (to Library Media Network members) workshop is a result of requests from YOU! Monica Treptow, Library Media Consultant at DPI will facilitate and answer questions for Library Planning moving forward in your district. Then, following a light lunch, we will spend the afternoon learning from and networking with each other. Attendees will leave with a DRAFT version (or maybe even a finished version) of a district Library Plan.
