SAVE THE DATE!

PRIVACY AND SECURITY: BUILD YOUR WISCONSIN NETWORK

February 4 or 5, 2020
9:00AM to 3:00PM

Host Sites: CESA #2 (Whitewater) and CESA #4 (West Salem)
Check your local CESA for a satellite site

Join us as WI Leaders in the industry of data privacy, data security, and cybersecurity share ideas, best practices, and frameworks to support school districts. Build your "go-to" portfolio of WI resources to help support and scale your security systems. Leave with a level understanding of supports in WI and next steps.

District teams may join virtually for FREE

Registration and agenda will be released soon!

Who Should Attend:
- IT
- 3rd Party IT Contractors
- Technology Leaders in Schools
- Coaches
- Administrators

Learning Goals:
- Develop a common understanding for WI Schools
- Build your privacy and security networks

WISCONSIN DEPARTMENT OF PUBLIC INSTRUCTION

WISCONSIN CESAs
Sharing resources. Supporting educators. Serving students.
