

CESA 7 Presents:

Measuring Your ACP Programming

Facilitator: Dr. Marci Waldron-Kuhn, Readiness Specialist, CESA 7 Learning Services

Schedule:	<p>Date: March 27, 2020</p> <p>Location: CESA 7 - 595 Baeten Road, Green Bay, WI 54304</p> <p>Time: 8:00 AM - 12:00 PM (check-in begins at 7:30 AM)</p>
Audience:	ACP Coordinators and Teams
Session Topics:	<p>In year three of ACP implementation statewide, districts are well-positioned to leverage academic and career planning strides to close the excellence gap and ensure high achievement for all students. Participants will examine data beyond standardized test scores to analyze the success of your ACP Programming for all student groups, including: attendance rates, graduation rates, course enrollment, post-secondary plans, need for remedial coursework in college, co-curricular involvement, Career Based Learning Experiences (CBLEs), Industry Recognized Credentials (IRCs), Work Based Learning (WBL), etc... You will develop a portrait of a graduate for your district, a 3 year accountability plan, and measurement tools. All of which you can use to report out the success of your ACP programming to Administration, School Board Members, Business Partners, Staff, Students, Parents, and Community Stakeholders.</p>
Registration Fees:	FREE
Session Needs:	Please bring a laptop
