### Workshop Description:

DPI, in conjunction with the CESAs, will be sponsoring this summit which is the foundation to build knowledge about:

- Data Security
- Data Privacy
- Cybersecurity

There will be presenters, panels, and networking to leverage the skills and knowledge of our WI network on this topic. Bring a team to start building your imperative plan for security. You can come to CESA 2 or CESA 4, or join via Zoom Meeting.

**Each day is a separate session with the same content, so register for only one date.**

#### Presenter:

Beth Clarke is an innovative educator with a passion in digital leadership. She loves working with districts and teachers to unleash potential by leveraging digital tools and resources.
