

Deeper Dive into Xello

February 19, 2020

9 a.m. to 3 p.m.

CESA 8 Maple Room

Locally, I'll be sharing lesson plans → shared by another CESA 8 district, along with CATE ACP lesson plans.

CESA 8 will also provide an overview → of the Inspire platform and demonstrate what students can do with this purchased add-on to Xello

Registration:

Counselors & ACP Coordinators - Experienced

This session is intended for educators who are already familiar with Xello and are looking to take their implementation to the next level.

Please Note: This session will not include an introduction to Xello and is not meant for educators who are new to Xello. Should educators who are newer to Xello wish to attend, they can take advantage of the resources on help.xello.world to familiarize themselves with Xello prior to the session.

Topic	Description	Time
