

DISTRICT GIFTED & TALENTED PROGRAMMING

Dr. Mark Schwingle, DPI Education Consultant - Gifted/Talented, will be here to facilitate a conversation about district G/T (gifted and talented) programming. Resources, strategies, and practices will be shared for the development of a G/T program or the enhancement of current programming.

Topics will include but not be limited to the following:

- Determining local excellence gaps;
- Culturally and linguistically responsive approaches (e.g. TOPS) for the identification of high-ability/high-potential students in need of additional academic challenge;
- Methods for supporting newly identified students, including specific differentiation approaches for gifted learners; and
- How to effectively engage families of high-ability/high-potential students.

The first 30 registered participants will receive the following free resources:

- Book - *Differentiation for Gifted Learners: Going Beyond the Basics* by Heacox & Cash
- Book - *Powerful Partnerships: A Teacher's Guide to Engaging Families for Student Success* by Mapp, Carver, and Lander
- Identification Tool - *U-STARS~PLUS TOPS*

Participants should bring a fully charged electronic device and district G/T programming plan

Cost: \$25 for CESA 8 – CIA member school districts, \$50 for all others
