

WI ITL Standards & WI Digital Learning Plan Workshop Series

(Wisconsin Information and Technology Literacy)

“The [Wisconsin Information and Technology Literacy] standards are designed to be integrated into the various content and skill areas of the school curriculum. The focus is on learning with information and technology rather than learning about information and technology.”

Overview/Description:

These two sessions are designed for district teams or individuals involved in the rollout of the Wisconsin Information and Technology Literacy Standards (ITLS). Participants will be given time to unpack and repack the standards with a focus on integrating the standards into the various content and skill areas of the school curriculum.

The Wisconsin Digital Learning Plan and the Future Ready Framework will also be discussed, and time will be given for district planning. This is a great time to plan for 2020-21 implementation!

Please bring a fully-charged electronic device and a copy of the [WI ITL Standards \(Google\)](#) or [PDF](#).

Who should be part of your ITLS team?

Integrated District Office Leadership Team
Cross school-wide teams
Coaches, Technology Integrators, Library Media Specialists

Day 1:

A Deep Dive into the Standards & Wisconsin Digital Learning Plan

Tuesday, March 17, 2020

9 a.m. - 3 p.m. - CESA 8 Office – Gillett, WI

Cost: \$25 per person - Registration costs are partially funded by a DPI CITSC grant.

Day 2:

Crosswalk between WI ITLS and Future Ready Framework & District Implementation Planning

Tuesday, April 7, 2020

9 a.m. - 3 p.m. - CESA 8 Office – Gillett, WI

Cost: \$25 per person - Registration costs are partially funded by a DPI CITSC grant.

Contact: Tammy Moynihan, tmoynih@cesa8.org
