# SOCIAL STUDIES INQUIRY AND CLASSROOM CONNECTIONS

---

Thursday, March 19, 2020  
CESA 5, Portage, WI

## Take a deep dive into inquiry in the social studies classroom, and a deeper dive into quality resources

The day will include discussions and brainstorms over what tools and resources are already available to help educators and using rubrics to review resources. A portion of this session will be spent reviewing parts of the inquiry cycle and different lesson examples. Receive an overview of work done using the Quality Materials Rubric with popular social studies resource sets. DPI Social Studies consultant Kris McDaniel will join us virtually.
