

Advanced XELLO and ACP Discussion

Tuesday, April 21, 2020

8:30 am - 3:00 pm

CESA 9, Tomahawk

This session is intended for educators who are already familiar with XELLO and are looking to take their implementation to the next level.

Come dive in deeper to XELLO lessons, assignments, tools, and resources. Discuss XELLO best practices, using course planner, college documents, and what's new in 2020.

In addition, come together and discuss the ACP program in your school as well as learn from others what works.

Please note: This session will not include an introduction to XELLO and is not meant for educators who are new to XELLO. Should educators who are newer to XELLO wish to attend, they can take advantage of the resources on help.xello.world

Coordinators: Madeline Conrad, CESA 9
Julee Dredske, XELLO Instructor

Cost: FREE
