### Workshop Description:

Are you ready to get started with helping students build agency and ownership of their learning? This is exactly what you need! In this 4-day series, learn the foundation of why and how to start learner-centered pedagogy, visit schools in action, create a plan, and implement strategies! This workshop will allow for learning, observing, practice, and feedback. You will be ready to create a facilitated learning environment where students have voice and choice in their learning.

**Presenter:**

Beth Clarke is an innovative educator with a passion in digital leadership. She loves working with districts and teachers to unleash potential by leveraging digital tools and resources.
