

LEVELED LITERACY INTERVENTION

TRAINING CAMP DAY

In response to our current situation, it isn't doable to provide LLI training like in the past, so it was decided to customize this training to your district needs. YOU pick the day and build the audience.

For this virtual training, decide:

- Who should attend (new LLI users/past trained users or both)?
- Would a half day training session (\$475) or full day training session (\$775) meet current needs?
- How will data be analyzed to make decisions within LLI?

\$475

Half Day

\$775

Full Day

Please contact Jen Rasmussen,
jrasmussen@cesa4.org to select a training date
session or ask any questions.
