

Continuing Reading Best Practices

What we've learned from action research.

This workshop is made possible through a grant from the Institute of Learning Partnerships at UW-Green Bay.

Topic: Researched Based Interventions for Struggling Readers

Participants will learn:

- ✓ How to implement strategies
- ✓ How to progress monitor students using Excel
- ✓ Review the 5 essential elements of reading
- ✓ Where to find research based interventions
- ✓ And leave with an electronic copy of research based interventions for their reference
