

School Counselors Network

January 5, 2012; March 14, 2012; and April 19, 2012

This network aims to support district, building and school counselors on implementing the Wisconsin Comprehensive School Counselors Model. The network will enhance Level I-Level III training in order to ensure that all students have the opportunity to achieve school success. Networks will include some presentations, sharing ideas between districts and networking time. Participants need to bring information to share during the sessions.
