

Creating A Quality Professional Development Plan (PDP)

January 14, 2012

8:00 AM – 4:30 PM

CESA #12 Conference Center

618 Beaser Avenue, Ashland, WI 54806

Presenter

Maija Alexandrou, CESA #12 Director of Instruction/PI34 Coordinator

This course facilitates educators through a web-based environment that prompts the development of a high-quality professional development plan to address self-identified learning needs based on professional reflection. Participants will use the tool, Wisconsin PDP, working in learning teams to develop a PDP. The online tool manages complete license advancement/renewal procedures via the Internet. A regional “pool” of qualified reviewers is available for licensees to convene online. Users will be able to interact with reviewers via traditional contact means as well as through email. Apply your professional growth efforts and local initiatives while you renew your Wisconsin Educator license...register today!

Audience:

Initial Educators with licenses expiring June 30, 2015 or 2016

Cost:

\$375 for Initial Educators payable to CESA #12. Registration includes training, lunch, comprehensive access to Wisconsin PDP tool, Review Teams for one Goal Approval (initial educators only), and for one PDP Verification, and CESA #12 technical assistance for PDP development and implementation.

Registration Deadline: January 7, 2012 (Note: 10 person maximum) Registrations cancelled after January 7, 2012 will be charge \$125.
