# NONVIOLENT CRISIS INTERVENTION<sup>®</sup> REFRESHER TRAINING

NOVEMBER 12, 2020 | 8:00 AM—3:30 PM

Educators recognize the need for timely, effective nonviolent interventions with students who exhibit challenging behaviors. They know that such interventions improve the physical safety of all participants and create a more trusting and caring learning environment.

The Nonviolent Crisis Intervention<sup>®</sup> (NVIC) program is a safe, non-harmful behavior management system designed to help educational and human services professionals provide the best possible care, welfare, safety and security of disruptive, assaultive and out-of-control individuals. The new, enhanced NVCI programming provides the same core program, now with additional content and new physical intervention options.
