

C100—Coaches/Administrators Training

Participants will gain an awareness of the philosophical foundation of PBIS, the role of coaches in the PBIS implementation process, the skills needed for effective coaching and the role of coaches in the use of data for decision making.

Audience

Internal coaches at the universal level, external coaches, building principals

Objectives

Network with other coaches and discuss perceived and realistic roles of coaching, review the PBIS coaching role, and become acquainted with PBIS assessment tools. Coaches will identify three strengths and three areas that need improvement in their school-wide plan based on their SAS report and create an ongoing action plan to be utilized with the universal team during tier 1/universal training

- ◆ Understand the basic rationale and features of school-wide PBIS
- ◆ Define the coaches roles, functions, outcomes, and competencies
- ◆ Understand system assessments
- ◆ Gain and understanding of team roles and functions
- ◆ Understand the importance of tier 1/universal training components

Presenter

Dave Kunelius, Regional Technical Assistance Coordinator
Jennifer Grenke, Regional Technical Assistance Coordinator

Participants should bring

- ◆ Artifacts relevant to school-wide implementation
- ◆ Discipline data
- ◆ School-wide acknowledgement systems
- ◆ Behavior teaching plans
- ◆ School improvement plan
