

# REVIEWING UNIVERSAL READING INSTRUCTION

## Outcomes

- Understand the key components and mindsets necessary to increase the effectiveness of the universal tier for literacy.
- Examine the effectiveness of your current universal literacy model including barriers, challenges, and successes.
- Begin to develop an implementation plan for school improvement around the universal level of literacy instruction.

## Audience

- School or district teams of three or more (**principal or school/district decision maker, such as curriculum director is essential**).
- Representation of general education (including 4K teachers for elementary teams and cross content area teachers for secondary teams) and special education (including Early Childhood).
- Support staff and specialists including: reading specialists, literacy coaches, Title One, ESL, gifted and talented.

**During this 3-day, team-based training, school teams will learn how to refine their school-wide implementation of strong universal reading instruction. This is a great opportunity for district-wide alignment.**
