

2020-2021 CESA 6 DAC CONSORTIUM

Facilitated by: **Eric Larsen**

The CESA 6 DAC Consortium will help new and experienced District Assessment Coordinators navigate the assessment and accountability landscape in Wisconsin. Monthly meetings will occur throughout the year to help DACs understand the next steps for every assessment and accountability change for Wisconsin schools. Forward, Aspire, ACCESS and Dynamic Learning Maps will be highlighted throughout the year. New accountability Report Cards and continuing ESSA identifications will also be a part of the rich discussion and learning opportunities. Get valuable insight from our connected CESA 6 team to help you in the 2020-2021 journey through assessment and accountability.
