GROWING AS A GOOGLE TEACHER: *Increase student engagement, Discourse, and Success!*

January 13, 2021 | 8 AM – 11 AM

March 18, 2021 8 AM—11 AM

Join us for this virtual, interactive session to dive into how to use Google products and other online resources to increase student engagement, discourse, and success in blended learning and online environments. This session is for those who are relatively new to using Google products for online instruction or blended learning.

OBJECTIVES

Participants will:

- Create a template for group work and collaboration using Google products
- Learn how to use Google products to make interactive games
- Use Google products to encourage discussion among virtual learners

WHO SHOULD PARTICIPATE?

- All K-12 teachers and instructional coaches
- Relative novices to using Google products for online instruction or blended learning)

FACILITATED BY:

Nicole Esterling,
Coach and Consultant
CESA 6 Math Center

PARTICIPANTS WILL NEED:

- Headphones
- Access to lesson materials
