

# Bal-A-Vis-X is coming to Green Bay! August 6-7, 2020

Bay Port High School, 2710 Lineville Rd., Green Bay, WI 54313

Bal-A-Vis-X is a series of more than 200 Balance-Auditory-Vision-eXercises founded by Bill Hubert of Bal-A-Vis-X, Inc. Most exercises are done with sand filled bags or racquetballs, often while standing on a balance board. The exercises require thousands of mid-line crossings in three dimensions and vary in complexity. They are steadily rhythmic, with a pronounced auditory foundation, executed at a pace that naturally results from proper physical techniques. BAVX demands cooperation, promotes self-challenge, fosters self-esteem and peer teaching and it is FUN.

Bal-A-Vis-X Improves:

- Visual Tracking
- Hand-Eye Coordination
- Bilateral Coordination
- Rhythm
- Attention and Focus
- Regulation
- Relationship Building
- Confidence

## Who Should Attend!

- Classroom Teachers
- Occupational Therapists/COTA
- Physical Therapists/PTA
- Physical Education Teachers
- Special Education Teachers
- Paraprofessional Educators
- Reading Specialists
- Pupil Services Staff
