

Early Childhood Networking (Virtual Event)

Wednesday, September 23, 2020
1:00 - 3:00

Presenters: Stephanie Lulich & Sue Erickson - CESA #12 Early Childhood

Target Audience: Early Childhood Special Education and 4-Year Old Kindergarten

Join our Early Childhood colleagues as we connect, collaborate, and network with each other.

We will explore topics such as playing in a virtual world, ways to engage our youngest learners, and discovering needs that arise as we educate in a "new" way of doing things.

Bring your questions and thoughts as we collaborate during our time together.
