

UTA300e: Implementing PBIS in your School: Tier I/Universal System Part 3

Nov. 30, 2011
8:30 AM – 3:30 PM

Content: Participants will revisit essential school-wide systems (data, teaching, acknowledgement, and interventions) and use the *Team Implementation Checklist* to self-assess current implementation and action plans around identified needs. In addition, participants will look at the *Benchmarks of Quality* to begin to understand the use of the tool in self-evaluation. Teams will have an opportunity to share and celebrate their success. Networking opportunities with other teams provides additional problem solving opportunities.

Presented by: Rachel Saladis or Peg Mazeika, CESAs 2, 3, and 5 Regional Technical Assistance Coordinators. The advantage of participating in the CESA 5 sponsored trainings is sharing of expenses and thereby reduced costs.

Who should participate: *Building level Universal teams that have attended Tier I Universal Team Training Part 1 & 2.* A team might include the following: building administrator, external and internal coaches, regular education teachers that represent grade levels, special education teacher, social worker and/or psychologist, specials teacher, paraprofessional, and family members.

Participants should bring:

- School calendar and list of staff development days
- All artifacts/products from U100s and U200s such as behavioral matrix, cool tools/behavioral lesson plans, acknowledgement system, T-chart of behavior, “working smarter” grid, and any information shared with school community
- PBIS Manual received at Universal Team Training

Objectives:

1. Review progress made with Tier I/Universal PBIS processes by reviewing the PBIS Team Implementation Checklist and update action plan on School-Based Unified Action Plan for each component
2. Plan continued implementation of Tier I and access readiness for Tier II implementation
3. Plan for increased stakeholder buy-in, implementation, and sustainability of Tiers I & II
