

2020-21 CESA 8 Math Network Meetings

Workshops Offered with a Virtual Option

CESA 8 | 223 West Park Street | Gillett, WI

Learning and discussions will take place around the series: **Catalyzing Change...in Mathematics: Initiating Critical Conversations** (NCTM) at each of the meetings. The three books in this series - Elementary, Middle School, and High School - are intended to initiate the critical conversations on policies, practices, and issues impacting mathematics education. Engaging in these critical conversations will be a valuable precursor to the release of the Wisconsin Standards for Mathematics that are slated to be released in March 2021.

Meeting Agenda:

- Networking time with CESA 8 math educators
- Book Talk
- Local, state and national initiatives
- Technology integration in the math classroom

Registration Deadline: October 17, 2020 (to receive a copy of the book for first day)

Registration: myQuickReg.com

For more information, please contact Tammy Moynihan at tmoynih@cesa8.org

*COVID-19 conditions will be continually monitored to determine whether in-person attendance will be available. CESA 8 will notify all participants prior to the meeting date if conditions are such that in-person attendance is not possible. In this case, a virtual meeting will replace the in-person meeting. Regardless of COVID-19 conditions, virtual attendance will be available.
