ISTE Certification - Fall 2020 Cohort

Totally Virtual - you can participate from your home or school!

DESCRIPTION: ISTE Certification for Educators is a new competency-based, device-neutral teacher certification based on the ISTE Standards for Educators. This digital credential recognizes educators who understand how to use edtech for learning in meaningful and transformative ways. Through the ISTE Certification process, teachers will participate in professional learning that will support any learning environment: face-to-face, hybrid, or remote. After completing the training, participants have six months to apply their learning and compile artifacts and reflections into a competency-based portfolio to earn ISTE Certification.

PRICE: $749

This Includes: Four 2-hour synchronous sessions, 5 online modules, and 6 months to create a portfolio

Check out the ISTE FAQ for additional details about this special online training.

PRESENTERS: Beth Clarke

Beth Clarke is an innovative educator with a passion for digital leadership. She loves working with districts and teachers to unleash potential by leveraging digital tools and resources. Beth earned her Undergraduate degree in Art Education and her Graduate degree in Instructional Technology from UW-Whitewater. Additionally, she has procured her Education Administration licenses for Principalship and Director of Curriculum and Instruction from Edgewood College. She has a love of learning and applying new strategies to classroom opportunities, professional learning, and presentations.
