

CESA 6
Social Emotional
Learning Center

The SEL Center exists to maximize positive outcomes for kids. Positive outcomes for kids rests on our ability to hear, understand, and respond to our stakeholder's voices. We work to capture each stakeholder's voice in order to promote high impact strategies and high levels of engagement.

The Basics of Managing In-Person and Virtual Classrooms for Instruction: *Simple Tips for Big Effect*

OCTOBER 21, 2020 | 8:30 AM - 11:30 AM

This virtual session is focused on classroom management and presents a range of simple and logical strategies for teachers. Considering both virtual and in-person classrooms, strategies related to relationships, instruction, and environment will be discussed and demonstrated with video examples. Across all strategies, the big idea is to engage students with instruction in the simplest and most effective manner possible.

SPECIAL GUEST PRESENTER:

Terrance M. Scott

Terrance M. Scott is a Professor and Distinguished University Scholar in the College of Education and Human Development at the University of Louisville and is Director of the Center for Instructional and Behavioral Research in Schools (CIBRS). His research interests focus on school-wide prevention systems, the role of instructional variables in managing student behavior, functional behavior assessment/intervention, and scientific research in education. He is a former counselor and teacher to students with behavioral disorders and since receiving his Ph.D. at the University of Oregon in 1994, he has successfully competed for more than \$24 million in grant funding, has more than 100 publications - including four books, and has conducted well over 1000 presentations and training activities throughout the U.S. and around the world.

WHO SHOULD ATTEND?

This training is designed for regular and special educators, school psychologists, school counselors, behavior interventionists, PBIS coaches/interventionists, RtI coaches/interventionists, administrators or other school personnel involved in designing and implementing SEL and Mental Health EMLSS for students with increasing levels of emotional and behavioral needs.
