

READING FOUNDATIONAL SKILLS VIRTUAL PROFESSIONAL LEARNING COMMUNITY

To deepen knowledge of Wisconsin's standards for Reading Foundational Skills, the Wisconsin Department of Public Instruction (DPI) is offering a series of free webinars for K-2 educators.

CESA 5 will support local educators and literacy leaders through a regional professional learning community (PLC) that will allow participants to extend and apply the learning from the DPI webinars and collaborate with other professionals as they support students with this important work.

The first 50 registrants will receive a free copy of "A Fresh Look at Phonics, K-2: Common Causes of Failure and 7 Ingredients for Success" (Blevins, 2016).
