

# Speech-Language Network Meetings

CESA #4, 923 East Garland Street, West Salem, Wisconsin

This is an opportunity for CESA #4 Speech-Language Pathologists (SLPs) to come together to discuss topics that are directly related to quality programs and services they provide to students who experience communicative disabilities within the educational setting. SLPs will be provided with current information from the Department of Public Instruction (DPI) that is pertinent to SLP services as well as give SLPs the opportunity to share best practices and discuss topics that directly reflect issues that are important to student and therapist success.
