

YOU'RE INVITED TO AN ONLINE BOOK STUDY!

Collaboration between CESA #12 and CESA #4

Who doesn't love Jennifer Serravallo? Jen's resources that support teachers as they develop student readers and writers have been so helpful. Fortunately, Jen is at it again and her new book "Connecting with Students Online: Strategies for Remote Teaching and Learning" will be released at the end of September.

Let's get together to read, discuss and learn during these different times.

During these last few months, Jen has been working with students and teachers remotely exploring and experimenting with strategies to help students grow as readers and writers.
