4:00 - 8:00 pm

CESA #4, West Salem, WI

Technology Vendor Fair

CESA #4 Educational Technology Services and Career and Technical Education Teams are excited to announce and welcome you to attend this year's **Technology Vendor Fair**.

The purpose of the Technology Vendor Fair is to:

- Increase awareness to school district administrators and technology personnel about the many types of technology available to support education.
- Observe and compare many products and services at a single location.
- Network with school district administrators, technology coordinators, and computer technicians who are planning major technology initiatives.

This year's **Technology Vendor Fair** will feature educational technology vendors and teacher presentations highlighting assistive technology software and hardware, K-12 technology video and media solutions, and much more! *Best of all – this event is FREE! There will be numerous prizes that will be given away, and a delicious dinner will be provided.*

For questions regarding the Technology Vendor Fair, please contact

Jim Welander, CESA #4 Educational Technology Director

(608) 786-4807 or jwelander@cesa4.k12.wi.us
