CESA #12 Virtual Training via Zoom

**JANUARY 13, 2021
9:30 AM - 10:30 AM**

Join us for a conversation about the importance of providing work based learning programs that develop high school students college and career readiness. We will review both Federal and State requirements for assuring compliance with the Fair Labor Standards Act and Wisconsin Child Labor Laws, as well as the various types of work based learning that meet the quality indicators for Carl Perkins funding. During this workshop we will highlight the DPI Employability Skills Program, Youth Apprenticeship and School Supervised Work Experience.
