

Coaching for Equity Virtual Book Study

CESA 5 is offering two options for engaging in a book study of *Coaching for Equity* by Elena Aguilar this spring or summer. This book study series will provide participants with a foundation for understanding what it means to be a coach for equity. If we hope to interrupt educational inequities and create schools in which every child thrives, we must first grow in our own learning and engage in purposeful conversations around equity.

**Registration includes a copy of the book
Coaching for Equity by Elena Aguilar.**
