Early Childhood Dual Language Learners

DESCRIPTION:

With a growing population of ECE students that are multilingual learners, there is an increased need for all educators to understand the unique challenges and rewards MLLs bring to the education setting. During this webinar, we'll explore and learn about how educators can help ECE students and parents whose first language isn't English feel safe, welcomed, and most importantly understood. We will discuss practical solutions as well as where to find resources online and elsewhere.
