

Collaborative Networking Meeting (Virtual)

February 17, 2021
1:00 - 3:00 PM

Collaboration between professionals allows for diverse perspectives and expertise around students to be shared amongst those who are responsible for the child's education. Come join with colleagues of many disciplines working with our youngest learners to hear updates from the state and region and discuss the importance and implementation of collaboration and teaming for evaluation responsibilities. There will be time for networking and sharing with the group.
