WITH WILEY BLEVINS

10 Reasons Phonics Instruction Sometimes Fails

Grades K-2

Participants will examine the role of phonics as it aligns to the science of reading. They will also explore the 7 characteristics of strong phonics instruction and the 10 common causes of phonics instructional failure. Blevins will highlight instructional tools and classroom practices to identify the mismatches and areas of weakness that impede or slow learning for our students. Additionally, he will emphasize strategies to maximize instructional success.

Teaching Phonics & Word Study in the Intermediate Grades

Grades 3-8

This session is designed to support educators as they continue phonics and word study instruction beyond the early years. Blevins will highlight supportive instructional practices that can benefit all students. Participants will learn how advanced phonics builds on the skills taught in the primary grades - with emphasis on multisyllabic words, complex syllabication patterns, and vocabulary.
