

All Aboard

with Early Literacy!

The itinerary for this excursion includes three stops, each designed for the implementation of evidence-based practices in early literacy instruction for students age 3-5 with IEPs. During your travels, you will receive 3 great children's books, instructional experiences for your young learners, and opportunities to support their parents. Passengers on this trip are required to participate in a brief, virtual, **opening session (March 1 at 3:30)**, document experiences of their journey, and then participate in a virtual **closing celebration (May 4 at 3:30)**.
