

IEP Basics: Tools & Tips

Create meaningful IEP's that are compliant with state requirements!

Mark your
Calendar for:
November 14 &
December 06
Registration 8:00
Workshop 8:30-3:00

Workshop Content: This workshop includes 2- one day sessions. Both the IEP meeting process and procedural requirements will be addressed. Data from SPP Indicator # 8 surveys of parents and the Special Education Procedural Compliance Self-Assessment process will be discussed. DPI documents including the Guide to Writing IEPs - 2010 Revision, The Guide to Standards & IEPs, and the self-assessment checklist for annual IEPs will be used. Both sessions will be hands on and interactive.

Participants should bring several IEPs to review and analyze during both sessions.

DAY 1: During this session participants will review and discuss all elements the IEP for procedural compliance. Working in groups, participants will use samples and their own IEPs to self-assess and identify their individual needs for further study.

DAY 2: During this session participants will work with the DPI Guide IEP examples and other samples to look at effective practice for writing elements of the IEP, continue to evaluate and update their own IEPs, and problem solve writing troublesome parts of the IEP such as frequency and amount of supplementary aids & services. Extensive time will be used for participant questions. *This session will also focus on addressing behavior on the IEP, conducting the IEP meeting and meaningful parent involvement.*

Cost:

Flagship Members:
\$30/both days
Non-members:
\$195/both days
