Exhibit B: Extended Collaborative Series Product/Service Terms and Conditions

Professional learning communities provide opportunities for leaders, specialists, and teachers to engage with peers regarding topics of interest within their discipline. The Safe & Healthy Schools Extended Collaborative Series provides timely information on Safe & Healthy Schools, Mental Health, Homelessness, and Other Behavioral Health Issues and Topics.

Objectives:

- Provide opportunities for networking with other district staff around safe and healthy community programs, policies, procedures and processes.
- Share experiences and ideas based on best practice in all areas of youth risk/resilience and staff resilience.
- Enhance professional development of leaders in the safe and healthy community field. ● Keep the leaders in the field apprised of current trends, legal issues, and up-to-the minute funding opportunities.
- Prevention strategies and topics of interest.
- Build capacity to create a safe and healthy community.
- Develop a community of educational and community staff who facilitate the programs and projects under the umbrella of Safe & Healthy.

Membership fee structure is based on school district enrollment

- 0 - 1000 students - \$700 per year
- 1001 - 5000 students - \$1,400 per year
- 5001 or more students - \$2,800 per year

Safe & Healthy Schools Extended Collaborative Series will include the following components:

- 4 face to face networking meetings with resources for up to 3 members of the district. Morning is updates and district sharing, afternoon is shared discussion on a specific topic;
- Access to office hours for personalized questions the first Monday of every month from 8:30 to 11:30 or by appointment;
- Assistance in developing customized YRBS reports based on district data as shared, combined with available regional, state and national data;
- Data planning with your team to further understand your YRBS and other behavioral and community data on request;
- QPR Gatekeeper Training as needed in collaboration with your local trainers;
- Homeless Coordinator Network Opportunities for New Homeless Coordinators and Experienced Homeless Coordinators.
