WISEdash Series: Data Validation

OBJECTIVES

- Learn a process that can be used to create a data validation plan
- Learn the different dashboards available in WISEdash for Districts and how to use them
- Learn and practice locating and manipulating the robust functionality of the tool

May 12, 2021
9:00 AM - 12:00 PM **(VIRTUAL)**

PRESENTER: Mary Ann Hudziak I Director Student Success Center

WISEdash for Districts is a valuable tool for data validation. This session will focus on a validation process for the Spring Demographic Snapshot data elements. School and district leaders and data entry staff will gain a better understanding of using WISEdash navigation and dashboard functionality as part of a data validation process prior to snapshot.
