

TPACK Mixology

Wednesday, October 27, 2021

9:00am-2:00pm

CESA 5,
Portage, WI

How do you create the right mix of **T**echnology, **P**edagogy, **A**nd **C**urriculum (content) **K**nowledge? We're actually going to rename this **CPAT** because *curriculum* comes first, followed by best practices in *pedagogy*, and once those are in place, then we can analyze the appropriate *technology*.

Come thirsty with the desire to create the perfect CPAT cocktail. You'll have lots of time to take your current lessons or lesson ideas and get support as you infuse the three tenants of CPAT into lesson plans that you'll be proud of.

Registration Fee: \$100 for CESA 5 Information Technology
Support Services Members
\$200 for Non-Members
