

# RtI in Middle and High Schools: Regional Book Study

Join us for a regional professional book study to address your questions about leveraging and designing a RtI system at the MS/HS level. This study is ideal for principals, instructional leaders and teachers interested in being a change agent for an Equitable Multilevel System of Support.

Join us virtually for one of two cohorts. The July cohort is designed for those who would like to start this work over the summer. The October Cohort is for individuals or teams who would prefer to study during the school year. CESA #4 will send out books to those who register for the July cohort by the end of May (via the CESA #4 delivery van). Each session focuses on your reading from the designated chapter and will provide a focus on the chapter topics by getting to know where this work is underway in Wisconsin schools.

## July Cohort

9:00am - 10:30am

July 6

July 13

July 20

July 27

## October Cohort

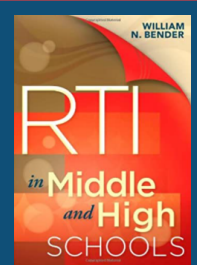

3:00pm - 4:30pm

October 5

October 12

October 19

October 26

July  
**Register HERE!**

October  
**Register HERE!**

Or visit  
[www.MyQuickReg.com](http://www.MyQuickReg.com).

The cost for this event is **\$75.00 per person**. Each individual will receive a copy of [RTI in Middle and High Schools](#) by William N. Bender.

## Sessions

## Chapters
