

CESA 9 Library Media Specialist Network

Audience: Library Media Specialists

Cost for series (in-person sessions include lunch):
(if eligible, discount will automatically apply during registration)

FREE for TDL Consortium Members

\$100 for other CESA 9 CSI Members

\$200 for non-CESA 9 CSI Members

The Library Media Specialist Network meetings focus on what today's school libraries and media centers look like, what has changed, what needs to stay the same, and what are new emerging uses for the libraries/media centers (makerspaces). This year, our full-day meetings will consist of new learning and exploration of the impact of technology during the morning with networking in the afternoon. We will also continue our Future Ready Library Planning work with WI DPI consultant Monica Treptow.
