Dr. Kim Gibbons

On

March 12, 2012

Registration starts at 8:00
Workshop runs from
8:30-3:30

Kim Gibbons, Ph.D, is currently Executive Director of the St. Croix River Education District. Dr. Gibbons will focus on Progress Monitoring and what you need to know whether you are just starting to develop a system or Response to Intervention, or if you are already established and need a boost! She will address what progress monitoring is, why it needs to happen, and how to use data created and collected through the process of progress monitoring.
