

LITERACY LEADERS NETWORK

Join us for the Literacy Leaders Network to stay informed on literacy issues and initiatives at the local, state, regional, and national levels. Participants will explore strategies and tools to support professional learning through articles and collaborative conversations. Using the power of this professional learning community, participants will grow their practices and coaching "toolkits"! Each date will have a specific topic and opportunities for choice and voice as we learn and grow together.

TOPICS WILL INCLUDE (but not limited to):

September 23: Launching Your Coaching Year

- Making coaching cycle decisions and prioritizing the work
- Launching and leveraging coaching conversations
- Creating teams and partnering with your principal
- Setting coaching goals based on student and/or school data

November 23: Coaching for All Students

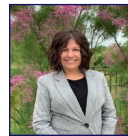

- Leveraging coaching conversations to meet the needs of all learners
- Collecting instructional and student observation data to create conversations
- Goal setting with teachers and creating impact cycles

January 27: Coaching Teams for Growth

- Leveraging coaching conversations to promote collective efficacy within a team
- Using team data to create collaborative teaching opportunities
- Coaching within a PLC model, grouping students for success
- Coaching teams with cycles of inquiry

April 7: Celebrating Growth and Continuous Improvement

- Documenting and celebrating student and teacher team growth
- Goal-setting with teachers or teacher teams
- Exploring next edges of learning
