

After School
Special Education iPad User Group

**November 28, 2011
4:00-6:00 P.M.
CESA #2 Conference Center
1221 Innovation Drive, Room 111
Whitewater, WI 53190**

When looking for new and exciting ways to work with students with special needs, one tool innovative special education teachers need to consider is the iPad. The iPad assists students with taking notes, reviewing and practicing concepts inside and outside of school, and communicating with the peers and adults in their lives. With an iPad, students also have access to audio books, interactive lessons, the internet, email communication and thousands of educational applications.

This 2 hour user group is designed to bring special educators together to collaborate and share applications and opportunities the iPad can provide to you and your students. Participants will leave the meeting with:

- Tried and true ideas to use the iPad as a tool for educators and students
- A list of apps that will facilitate learning in a variety of areas
- Shortcuts to maximum the benefits of the iPad

Target Audience: Special education teachers in levels EC-SE through 12th grade

PDP participants can use this user group as a PDP activity for Teacher standards 1, 2, 6, 7, 9 and 10

Cost: \$25 per participant

Please bring your iPad and any apps that you would like to share with your fellow colleagues!
