1. Success 101: The New Teacher Experience

This one-credit, blended online/ ITV course offered by CESA 8 through Viterbo University. Five classroom sessions to provide a share shop for new teachers as well as guided course work provided by experts in the field. Content includes:

Classroom Management
RtI Strategies
PBIS Strategies
Common Core Standards
Technology Integration

This Course will be held monthly, November through March.

Please note: This class is FREE for all 1st year teachers from any CESA 8 School District

*If you are interested in this workshop or need more information contact:
Eric Larsen, elarsen@cesa8.k12.wi.us.*

2. Unpacking the Common Core State Standards

Join CESA 8 staff as we unpack the Common Core State Standards in grade level bands. Utilizing the web-based tool, we will provide a professional unpacking of Mathematics and English Language Arts Common Core State Standards utilizing this dynamic database tool. We will show you at grade level the standard alignment process.

StandardsInsight™ allows users to filter the standards by grade level, by strand and CCR anchor standards for English Language Arts and by domain or conceptual category for Mathematics, and by key

word. Filtering allows teacher teams to look at vertical connections among certain strands of standards and search for specific content relevant to their alignment work and deep study of the standards.

Workshop Cost: \$25.00 per participant per workshop from School Improvement Districts (listed below)
\$50.00 per participant per workshop from all other school districts.
