

Wisconsin Early Childhood Indicators

2011-12 Wisconsin Early Childhood Indicator Training for CESA 8 May 8th, 2012

(RESCHEDULED from January 23, 2012)

In this training, participants will become updated on the most recent changes related to the Early Childhood Special Education (ages 3-5yrs) Indicators pertaining to: Indicator #7 Child Outcomes, Indicator #12 Transitions & Indicator #6 Environments.

TRAINING OBJECTIVES

- Indicator #6: Best practices in determining Least Restrictive Environment law.
- Indicator #7: Reporting procedures and timelines, assessment of children's everyday functioning, the outcomes rating process, and data entry.
- Indicator #12: The transition process, including elements of policy, best practice, interagency agreements, new timeline requirements and PPS reporting.

AUDIENCE

All LEA personnel who are involved with the State Performance Plan early childhood indicators #6 Preschool Environments, #7 Child Outcomes or #12 B-3 Transition. This includes Early Childhood Special Education Teachers, Speech/Language Pathologists, Psychologists, Diagnosticians, data entry personnel and Directors of Special Education. This training will especially benefit new staff or those staff who were unable to attend the spring 2011 EC Indicator Trainings.

TIME

Check-In is 8:00 – 8:15. Training is 8:15 – 4:00 (Lunch provided)

NO COST

Costs covered by DPI's IDEA Preschool and IDEA Regional Services Network (RSN) Discretionary Grants.
