Bringing Math Educators Together for a Purpose

A Math Educators Network

Designed for all K-12 math educators, math leaders, special education educators, & math interventionists

Are you looking for a way to collaborate with other math educators in our region?
Do you want to be up to date with the latest local, state and national initiatives?
Are you interested in having deep conversations around popular math topics?
Would you be interested in learning from guest speakers and jumping into a book talk?
If you answered yes to any of these, joining the Math Educators Network is perfect for you!
